Commissioner for Patents

The reply filed on May 8, 2003 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): Applicants response, Paper Number 9, electing the generic structure of claim 1 is Non-Responsive. Applicant is "required under 35 U.S.C. 121 to elect a single disclosed species" not a generic claimed structure. A complete reply to the Restriction and Election of Species requirement should include an elected invention (i.e. either Group I, claims 1-19 or Group II, claims 20-25) and a single disclosed alkanolamine species (e.g. ethylaminoethanol) and indicate the claims are readable on the elected species. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
